CC0/Pixabay/Pixabay As you begin to learn to play the guitar, you want to find sheet music for the songs you want to play. The good news is the internet is teeming with sites where you can search for music, and much of that music is free. Free guitar tabs are submitted to sites by thousands of users all over the world. On the down side, that means some of the free guitar tabs are bad. The key is to go to sites that are popular for featuring free sheet music that ranges from good to exceptionally accurate. As community-based sites, some of the free guitar sheet music sites have rating systems for users to vote for tab versions they like. Ultimate Guitar This free guitar tabs website is easily the most popular among the guitar sites. As of December 2018, the website has a little more than 1,100,000 free sheet music for guitars. With such an immense collection of tablature, you can find sheet music for your favorite songs in different arrangements, versions and even genres. The only catch is that you have to give them a "Like" on their social media pages to access some of the tabs. However, it's just a small inconvenience in exchange for free lessons and tabs.
